

## **Call for applications: Internship with China Macro Group (full-time / paid)**

**China Macro Group (CMG)** as of now invites internship applications on a rolling basis for paid full-time internships for a duration of 3-6 months. This internship program targets advanced students, recent graduates, as well as PhD candidates or Postdocs. Internship conditions can be tailored to your level of expertise and skills.

**About CMG:** CMG provides original and calibrated China policy and market analysis to advise on China strategies, cooperation concepts and negotiations for European private sector, governments and investors; in its policy analysis, it puts a particular focus on China's economic, financial, foreign, trade, S&T and social policies – [www.chinamacro.ch](http://www.chinamacro.ch)

### **Your profile**

- Academic background in economics, political economy, finance, political science, public policy, law, technology management or international relations either in China or with focus on China
- Previous research and analysis experience on contemporary China-related topics
- Excellent Chinese language skills, esp. reading (minimum of HSK5 in 2010-2021 HSK scheme)
- Professional conduct of verbal and written English
- Proactive personality, rapid learner, analytical and fact-based working approach, curious and inquisitive mind, team-player, high diligence on outputs, effective communicator
- Location: Beijing or Zurich, or any other location (for remote internship)
- Prior living/working experience in China a plus

### **What we offer**

- An inspiring, collegial, dynamic and enabling working environment
- Interesting learning opportunities at the pulse of diverse practitioners' needs for China analysis
- Work on highly relevant China analysis, training in both research/analysis as well as consulting skills

### **Application documents**

- Motivation letter (max. 1 page)
- CV

### **Application process**

- If you would like to apply for an internship, send your motivation letter and CV to [career@chinamacro.ch](mailto:career@chinamacro.ch). Please indicate your dates of availability as well as your preferred location. Shortlisted candidates will be invited to interviews including a Chinese language test for non-native speakers.
- CMG strives for a diverse team to optimally leverage our aspired cross-cultural vantage point for calibrated China-analysis. In view of the current office locations, non-Swiss and non-Chinese citizens are thus explicitly welcome to apply. Accepted candidates will be responsible for arranging their own visa if one is required. CMG supports this process with letters of invitation, contracts or other necessary documentation.
